## INTRODUCTION

We SREE TIJUMALA ENTERPRISES, An ISO 9001:2008 certified company offering a qualitative and durable array of Multi Purpose Drilling Rigs Tools and Accessories.

Drilling Rigs Used in water well, mining, coring and piling applications, Multi Purpose Drilling Rigs Tools and Accessories are supplied by us, Sree Tirumala Enterprises. We are widely popular as an exporter, supplier, trader and service provider of the aforementioned products. Incorporated in 1997, we are located in Hyderabad, Andhra Pradesh (India). We possess a vast infrastructural set up, which allows us to stock and deliver the ordered products within the stipulated time frame. Presently, we are exporting our products to African and Arab Countries, from where we are receiving recurring orders. Best quality management system followed in our company has enabled us to acquire the membership of The Federation of Andhra Pradesh Chambers of Commerce and Industry (FAPCCI) and Engineering Export Promotion Council (EEPC).

Over the years, we have acquired a wide base of customers, who are fully satisfied with the quality, reliability and operational efficiency of our product range. Keeping pace with their requirements and needs, we are undertaking Drilling Contracts of DTH, Rotary & Core Drilling, with the assistance of our sister concern. We have acquired the reputation of an authorized dealer for KLR Industries Ltd. - Rigs, NANDI PVC Pipes, KLR Bits - Hammers - Rig Spares and others, SVE Bits and Hammers, Raj Group & Valvoline Lubricants, Hydraulic Hoses, Hydraulic Pumps & Rotation Motors Valves.

## QUALITY

We assure our clients that DTH Hammers, Hand Pumps, PVC Blind & Slotted Casing Pipes, Drilling Tools & Accessories and other products offered by us bear the hallmark of finest quality. We back this assurance by sourcing the products from some of the well known companies in the industry. We select these companies / vendors after assessing their market credibility, product quality, past client records, financial stability and other criteria. Hence, we possess a reputed vendor base, which consequently allow us to guarantee the quality and performance of our delivered products. Our quality management system has enabled us to acquire the ISO 9001:2008 certification

### Warehousing Facility

A robust warehousing facility is one of the various factors that helps us deliver premium quality products to clients. This facility includes well - defined sections where in we separately stock our range of Water Well Drilling, Mining & Core Drilling Tools, Accessories, New, Used & Refurbished Water Well Drilling Rigs, Compressor Spares, DTH Button Bits and other products. It is supported with moisture control and temperature regulation resources that eliminates any chance of corrosion or damage of stored products. Also, we maintain an inventory of the stored products that assists us in fulfilling any product shortcomings well in advance.

## PRODUCT DETAILS - PROCUREMENT AND SUPPLIES

Waterwell Drilling Rig | Piling Drilling Rig | Blast Hole Drilling Rig | Mining | Core Drilling | In Well | Crawler Mounted | New, Used and Refurbished Rigs

## DRILLING RIGS

Waterwell Drilling Rig | Piling Drilling Rig | Blast Hole Drilling Rig | Mining | Core Drilling  
In Well | Crawler Mounted | New, Used and Refurbished Rig

## CONSTRUCTION AND EARTHMOVING MACHINERY

Excavators | Backhoe Loaders | Compactors | Tippers | Bulldozers | All Types of Const. Equipments

### Tools & Accessories

DTH Hammers  
Button Bits  
Friction Welded Drill Rods  
Rock Roller Bits  
Core Bits  
Drag Bits  
Truck Spares  
Hydraulic Spares  
Rig Spares  
Lubricants  
Air Compressors & Spares  
Mud Pump & Spares

### Hand Pumps & PVP Casings

Hand Pumps:  
India Mark II  
India Mark III  
Afridev  
Extradeep Well

### PVC Casings:

UPVC Blue Casing Pipes  
PVC Casings  
Fittings  
Submersible Pumps  
Water Injection Pumps  
Bentonite & All types of Polymers
